

That said Board passed the said Resolution and took the said action without qualification and without imposing any conditions. That whatever rights spring from the passage of said Resolution have already accrued to said Mary C. Walsh, and said Board is without authority to deprive her of those rights without her consent. That the threatened action of the Board of Trustees rescinding its former resolution and action was without due or any consideration whatsoever to said Mary C. Walsh and absolutely against her legal rights. And the said Mary C. Walsh asks that this protest and objection be made a part of the minutes of the Board of Trustees in connection with its threat to rescind its action heretofore taken regarding said matter.

Dated, San Anselmo, October 10, 1919.

(Signed) MARY C. WALSH.

The Clerk was directed to file the above protest with the proceedings, taken by the Board for the abandonment for a portion of Sturdivant Avenue, and the matter was referred to the Street Committee

Upon motion duly seconded, the meeting was then adjourned to October 17th, 1919 at 8 o'clock P. M.
