Subsequent to general discussion of the plan to remove certain position titles which are presently under civil service classification of Ordinance #244 and amendments thereto, it was agreed by a majority of the Council members that the voters should have the opportunity to express themselves, whether the position titles of Police Chief - Fire Chief - Street Superintendent - Building Inspector - Park & Playgorund Superintendent should be removed from Civil Service status; the appointments to these titles to be from those eligible under Civil Service and to serve in such appointive capacity at the will and pleasure of the City Council.

The City Attorney was instructed to draft the necessary proceedings that this objective might be accomplished at a Special City Election at the earliest possible date.
