SPECIAL EVENTS

Winter/Spring 2017

Annual Holiday Lighting Ceremony

SATURDAY, DECEMBER 3RD AT IMAGINATION PARK • 5:00-6:30 PM

Join your community and celebrate the holiday season at the annual San Anselmo Lighting Ceremony December 5th. Come downtown to shop, dine, and enjoy an evening for all ages. Cub Scout Pack 50 kicks off this celebration, which includes complimentary refreshments, holiday entertainment, and FREE pictures with Santa himself! Event is sponsored by San Anselmo Chamber of Commerce, the Town of San Anselmo, the Salvation Army, Seawood Photo, Marin Coffee Roasters, State Farm Insurance, United Markets, and the Ross Valley Fire Department.

Breakfast with Santa at the San Anselmo Fire Station

SATURDAY, DECEMBER 10TH
TWO CHOICES: 8:00 AM SEATING/10:00 AM SEATING

The San Anselmo Recreation Department has partnered with the Ross Valley Fire Station to bring the popular Breakfast with Santa event to Fire Station #19 (777 San Anselmo Avenue). Don't forget your wish list and your camera as Santa will be in attendance. It wouldn't be a Breakfast With Santa without him! **There will also be a toy drive so be sure to bring a toy!**

Pre-Registration: \$6/Child, \$8/Adult or \$8/child, \$10/adult at the door. Limited seating is available. For more information or to make reservations, contact the Recreation Department and 258-4640.

Flashlight Egg Hunt

FRIDAY, APRIL 14TH AT 8:15 PM
AGES 8 AND UP

How's your night vision? Find out at our Flashlight Egg Hunt, where kids 8 and older get to use their flashlights to find the treats tucked away in the grass. Bring your running shoes, a basket, and of course, your flashlight and get ready to run the length of Memorial Park!

Children's Egg Hunt

SATURDAY, APRIL 15TH AT 11:00 AM
AGES 7 AND YOUNGER

Get in the spring spirit by participating in our annual egg hunt! We'll split the kids into age groups and let them run around the park looking for candy, eggs, and the coveted golden eggs, which are redeemable for a big prize. Bring your camera as well in case you happen to see that loveable bunny.

COME SEE WHAT'S IN STORE FOR SUMMER 2016.

In addition, there will be a SUMMER CAMP FAIR being held at the upper lawn at Memorial Park from 10:30 am to 1:00 pm.

For more information about any of these events, contact the Recreation Department at 258-4640.

Farewell to San Anselmo's longtime Town Manager
DEBRA STUTSMAN!

Much to the chagrin of staff and residents alike, Debra (Debbie) Stutsman has announced that she is retiring at the end of February 2017 after 27 years of service to the town, the last 15 as Town Manager. Debbie has provided strong, steady and thoughtful leadership to our town, guiding our community through difficult financial times, through natural disasters and through many changes in elected leadership. She has made it a hallmark of her administration to make great efforts in communicating with the public through her weekly newsletter, through community events and activities, and by always being available to listen and respond to resident's needs.

It goes without saying that Debbie will be greatly missed. Please join the Recreation Department staff in wishing Debbie all the best in her retirement years. You will most likely be seeing Debbie around town joined by her every increasing number of grandchildren! Congratulations Debbie Stutsman!

PHASE ONE of the Memorial Park Master Plan has been completed! The community outreach conducted this fall has engaged hundreds of people and yielded a great deal of community input from a wide variety of residents of San Anselmo. This information will be analyzed and the results used to create conceptual design options for how the park could be improved to best meet the expressed priorities of the community.

PHASE TWO, which begins this February and carries through to late spring of 2017, will involve a review of proposed conceptual plans. The architects, after collecting and analyzing all of the public input, will create plans that meet as many of the expressed priorities as possible. The goal of Phase Two is to hear from the community which components of the conceptual plans best fit with the community's vision for the park which will lead the process toward a final, preferred plan. This will culminate in a presentation to the Town Council.

TUMBLING & GYMNASTICS

WINTER SESSION: 10-Weeks 1/9-3/26

NO CLASS 2/20-2/26 Ski Week

All classes are held in the **Gymnastics Center at the Isabel Cook Community Center**. Located at 1000 Sir Francis Drake Blvd. San Anselmo, CA.

Tumbling

TODDLER TUMBLING

Instructor: Juan Olsen Sanchez

Our toddler tumbling classes combine instructor initiated activities with children's freedom of exploration. There is circle time with songs and rhymes and plenty of time for free play, which helps the young child to develop large motor skills through age appropriate activities. Parent participation is required for all Toddler Tumbling classes.

OVER 39 YEARS OF LEARNING!

An exciting and rewarding experience awaits your child at Parkside Preschool.

Celebrating thirty-nine years of learning, Parkside offers a developmentally appropriate approach on education. Children are encouraged to learn through activities that fit their age levels and individual stages of development. The multi-aged group provides experiences that enhance the development of each child's whole self: intellectual, social, creative, and physical. A special focus on Kindergarten readiness is also provided during our Pre-K group time. Preschoolers love to learn and our well-rounded program includes arts, crafts, music, outdoor play, academics, cooking and storytelling to feed their curiosity. Children learn socialization and communication skills in a fun, warm environment. Our flexible program allows you to select the days you wish to attend. Please email the Director, Dawn Jones, for more information: saparksidepreschool@gmail.com or call 415-258-4644.

PRESCHOOL ACTIVITIES

TODDLER CLAY PLAY

Soft pottery clay can provide a sensory party for toddlers! They like to poke at it, squeeze it, make marks in it, pick it up, throw it down and, in general, try to figure out what it can and cannot do. Toddlers find clay a little bit magical in the way it responds to their actions and so they are fascinated, motivated, and empowered to keep experimenting. "Painting" the clay provides another kind of experience and way to manipulate the clay. When toddlers are presented with their handiwork after it has been fired—well, let's just say it's empowering and creates a lot of smiles. **No class 2/22 or 4/12.**

MOMMY & ME—MY FIRST ART CLASS

My First Art Class is almost as much fun as your first taste of ice cream. It is designed as a parent-child collaborative class that is usually a favorite and is enriching for all participants involved. In the class, you and your child will explore different textures, scents, and colors together through a wide range of exciting (and safe!) mediums. We will learn about clay, paper-ripping, glue, different kinds of paint, pompoms, buttons and beads, fabric and yarn, and so much more. Parents will be encouraged to explore and observe how their child interacts with the materials and how their child responds to the materials. **No class 2/24 or 4/14.**

TODDLER PAINT PLAY

Painting is a way for children to convey ideas, express emotion, use their senses, explore color, learn "how things work", and create art-work that pleases their aesthetic and, in some cases, ours! Children form many connections and in terms of the process of painting as well as about what they enjoy about expressing their creativity. They can become thoroughly engaged and can build confidence in fairly rapid order. We try to make this class a true exploration, using a variety of paints, surfaces and methods of application. You'll probably enjoy this as much as your child. **No class 2/23 or 4/13.**

SEWING

Studies have shown that children between the ages of 6 and 12 are naturally interested in and benefit greatly from learning to sew. Turning 2-dimensional pieces of fabric into 3-dimensional objects can initially be daunting but learning sewing techniques in a considered way can provide the tools and inspiration to make the journey worthwhile and enjoyable. We'll learn about basic stitching techniques (both by hand and with the machine), the nature of various fabrics and other materials and we'll look a bit at fashion trends old and new to explore our own sensibilities and to demonstrate the scope of possibilities for stretching ones imagination. **No class 2/21 or 4/11.**

CLAY (POTTERY WHEEL & BY HAND)

Working with and learning about clay can provide a myriad of benefits to the primary school student and, in this class, we try to find ways to leverage all of them. Sensory development and motor skills are just the beginning of the journey as students learn to prepare their clay and manipulate it to achieve the results they seek. As they make choices on the direction their projects take they build self-esteem and confidence in their ability to express their individuality. Another under-rated benefit is that clay can be a calming medium and working with it can be a thoroughly engaging experience. We'll create a variety of projects using a variety of techniques and students will have the opportunity to glaze their pieces and have them fired. **No class 2/23 or 4/13**

JUNIOR TENNIS

San Anselmo Recreation offers Junior Tennis for kids between the ages of 5-11. Tennis in Marin professional coaches in conjunction with the USTA have now been using a system where different colored balls are used at corresponding age levels to allow more of a natural progression toward learning the sport of tennis. These new changes have allowed kids to rally and play real tennis points at an early age. When kids are successful they are having fun, and when they are having fun, they are usually successful. It works both ways.

SOCCERKIDS

Ages: 2.5–8 years

Instructor: Coach Alicia

SoccerKids youth soccer is thrilled to offer soccer for boys and girls in San Anselmo. Join us for non-competitive, age appropriate play that uses make-believe and imagination to learn the world's most popular sport. During a SoccerKids class, children get a chance to learn in an environment where having fun, trying your best and good sportsmanship is much more important than winning. The final score of a SoccerKids game is always fun to fun! Class size limited to 16 kids. Parent participation not required except for the 2.5–3.5 age class. San Anselmo Recreation does not take registrations for this class. **Please visit SoccerKids online at www.soccerkids.com to register and get more information.** Classes fill to capacity quickly, so early registration is recommended. Winter season runs January through February and registration begins Nov. 1st and Spring season runs March through May and registration begins Feb 1st.

Location: Memorial Park

TRACK & FIELD

This outstanding program is an introduction to track and field for children in grades 3–5. Children will learn several track and field events including sprints, long jump, softball throw, and relay races. Emphasis will also be made on warm ups, cool downs and stretching. Children participate on a school track and field team and get to participate in fun and competitive track meets. No prior experience necessary, just a desire to run and have fun. Please include your email when registering. This is how coaches will communicate with you and your track star. Brookside families register with the Hidden Valley team.

Locations: Hidden Valley, Wade Thomas, Manor, White Hill

Cost: \$70

Times and Dates: TBD with the schools respective coaches. Check online for more information.

AFTER-SCHOOL ENRICHMENT – DESCRIPTIONS

ACT. SING. DANCE.

Grades K-3 (Winter) & 3-5 (Spring)

Ashley Kimball

Act, sing, and dance your way toward becoming a triple threat! This class will let your child explore the wonders of their imagination and develop new skills in a very nurturing and confidence-boosting environment. This fun filled class will end in a short performance for friends and family. Ashley Kimball has been teaching and producing children's theatre for 10 years, and you may know her as the Assistant Director for Marilyn Izdebski.

AMAZING SCIENCE

Grades 1-3

Amazing Science

Winter

All NEW classes! Join us for a wide variety of kid-pleasing science topics, demonstrations, experiments, and hands-on activities, including chemistry, physics, geology, biology, paleontology, and many others! Explore the world of Carnivorous Plants, use crime solving skills in Detective Science, discover how Mirrors work, learn to float in Buoyancy, do a dance with Honey Bees, see how strange Bats are, beamazed in Wild Chemistry Lab, and more! Lessons are subject to change. All experiments are kid safe and fully supervised and all materials are included. Curriculum is age appropriate: older students' lessons are more advanced and complex.

Amazing Science is a program of Watershed Preservation Network, a California non-profit environmental education organization. Please visit our website for more information on classes. www.AMAZINGSCI.org

Spring

Play with your food in Food Chemistry, work a crime scene in Detective 2, learn tips on wilderness Survival, celebrate Spring with Butterflies, explore how Pulley Power works, investigate DNA and Natural Selection, suck up physics in Vacuums, and more! Lessons are subject to change. All experiments are kid safe and fully supervised and all materials are included. Curriculum is age appropriate: older students' lessons are more advanced and complex. BASKETBALL

Grades 1-5

One on One

Do you like to play basketball? Do you want to be a better shooter, dribbler, passer, defender? Do you want to have fun learning how to become a better player? Throughout the winter/spring, skilled and experienced basketball instructors will conduct a one hour clinic, once a week, for you and your friends. These clinics will help you become a better basketball player through drills, contests, and game competition.

BUILD & PROGRAM YOUR OWN COMPUTER WITH MINECRAFT

Grades 3-5

Cyber Garage

Today's kids have grown up with computers, phones and gadgets that are closed and leave no room for tinkering or understanding the underlying technology. Piper computers have created the tools that will inspire and empower the creators of tomorrow to build, explore and tinker with technology, to help them invent the future. Students will be provided with everything they need to build their own Raspberry Pi computer, program the electronic controller and gadgets, and explore an educational Minecraft world through hands-on building.

CAPOEIRA

Ages K-5

Diego Freitas

Capoeira (pronounced ka-poo-eyh-da) is an AFRO-Brazilian martial art form that incorporated acrobatics, dance, percussion, and songs in a rhythmic dialogue of body, mind, and spirit. It is a communal game in which two opponents play each other inside a circle, formed by the other players who create rhythm for the game by clapping, singing and playing traditional handmade instruments. The two "capoeiristas" play a game together using Capoeira movements, camouflaging self-defense kicks with playful acrobatics and dance-like moves spontaneously creating a strategy to fool the other player and perhaps work together to build a beautiful, harmonic and naturally-flowing game.

CHESS (HIDDEN VALLEY & WADE THOMAS)

Grades K-5

Bob Deutsch

Through the medium of chess, you can learn critical thinking, problem solving, mental discipline, how to cope with winning and losing, and other skills that affect the learning experience in the classroom and in life.

CHECKMATE CHESS (MANOR & BROOKSIDE)

Grades 1-5

Checkmate Chess

Improve critical thinking and problem solving skills while having fun. Learn to move the pieces and develop basic and intermediate strategy. Class period generally consists of instruction and supervised play. Competitive matches with tournaments near session's end. All skill levels are encouraged to participate in the chess class.

CLAY PLAY

Grades K-5

doodlebug

Various projects introduce and reinforce particular aspects of “playing” with clay. Scoring and slipping, adding texture, pulling shapes from clay, cut-outs and mixed media will be part of the process learning. We’ll also learn to bring our 2-dimensional ideas into 3-D form and our sense of scale and proportion will be refined as we look at faces and spaces. This is a bit messy but lots of fun. The projects will be fired and then glazed and re-fired. You’ll be amazed at how cool your artwork will be.

EARTH, MOON, AND BEYOND

Grades K-3

Beth Touchette

We will begin our journey on our own planet Earth: The instructor has lots of mineral, rock and fossil specimens for kids to touch. Kids will get started on their own rock collections, and create plaster of Paris fossils. We will do some sun activities, and then we create a glow-in-the-dark moon. We will then construct a solar system and learn why poor Pluto is no longer included. Towards the end of the course, we will build a sputtering comet out of dry ice and sand, and learn about constellations and galaxies. Of course we will fire off a couple kinds of rockets and imagine what it would be like to journey into space. Small class size guarantees quality instruction.

EPIC PE GAMES WITH COACH HOFFMAN

Grades K-2 & 3-5

Jaime Hoffman

Come play your most favorite PE sports and games with Brookside PE teacher, Coach Hoffman!! We’ll play all your favorites from hockey, soccer, kickball, dodge ball, tag games, water relays, and more! Coach Hoffman’s classes focus on teamwork, skill development, cooperation, and fun!

FLAG FOOTBALL

Grades 1-5

One on One

Come on out and play the great game of non-contact flag-football with One on One. The program is for kids who want to exercise and enjoy playing. They will learn the rules of the game, positions, formations, and teamwork. While doing this they will learn good team play and have fun while doing it.

FLAG FOOTBALL WITH COACH LEE

Grades 1-5

Lee Hassan

My flag football program is designed to introduce young athletes to the game of football and show why it is so popular today. This is done by providing a safe, fun and lightly competitive environment for young athletes to both discover and develop the skills and techniques necessary to succeed on both sides of the ball.

AFTER-SCHOOL ENRICHMENT – DESCRIPTIONS

HABLAMOS ESPAÑOL

Grades K & 1-3

Instructor: Elizabeth Geler

Join Señora Geler for this fun-filled introduction to the Spanish language! Students will focus on basic concepts such as numbers, colors, shapes, body parts, and days of the week. They will learn vocabulary using games, music, and didactic material. No previous knowledge required. Señora Geler is an Argentinian, who lived in Brazil for 16 years before moving to Marin. She has her Master's and Doctorate degree in Science, and is currently working as Spanish teacher K-5th in St. Anselm School. She loves working with children and helping them to develop a love for a foreign language. Please note the Kindergarten class will be 45 minutes of instruction and 15 minutes of supervised free play.

HIP HOP

Grades K-5

Jacque Leigh

After School Hip-Hop is a weekday afternoon program for aspiring young dancers. The one hour instructional sessions will combine various forms of dance instruction within an organized environment with the goal of providing an enjoyable and educational after school athletic event; boys and girls of all skill levels are encouraged to join. This class will be capped at 9 students, but if a large enough space is available we will add additional students from the waitlist.

The maximum # of students for this class is contingent upon classroom space.

IMPROV COMEDY/CREATIVE DRAMA

Grades K-3

Sandra Davies

Does your child like to laugh and also make other people laugh?

This fun creative acting class will focus on using the imagination to spontaneously create exciting characters. Kids will have a blast while playing improvisational games and exercises that will assist them in controlling their stage fright and shyness and help them to become unique and confident performers. Kids can start or enhance their drama skills so they can confidently participate in future theater productions. Learn important performing stage habits like stage presence, voice projection, confidence and connection to audience and third wall, and strong character choices. The students will perform in a musical to be presented to family and friends at the last class.

KIDS COOKING FOR LIFE

Grades K-3

Nancy Larson

"Kids Cooking For Life" is an organization dedicated to empowering young people to enjoy the benefits, pleasures and skills of cooking healthy food; promoting longer, healthier and happier lives. KCL lessons teach kids the importance of good nutrition and healthy eating through hands-on cooking classes designed by top chefs and educators. Typical food prep includes items such as smoothies, whole wheat pancakes with a variety of toppings, crostini, burritos, home-made mac & cheese, and more. Students learn: cooking skills, kitchen and food safety practices, nutrition and health basics, and awareness of foods' journey from farm-to-table.

KINDER BASKETBALL

Grade K

One on One

Do you want to learn how to play basketball? This special class introduces the world of basketball in a fun and non-competitive way just to Kindergartners! We will focus on select skills such as dribbling, passing, shooting, and working as a team. This class will help your child develop skills through age appropriate practice and games.

KINDER SOCCER

Grade K

One on One

This special class introduces the world of soccer in a fun and non-competitive way just to Kindergartners! We will focus on select skills and how to work as a team. This class will help your child develop skills through age appropriate practice and games.

MANDARIN CHINESE

Grades K-5

Monica Pa

This is a beginning Mandarin Chinese class for non-native speakers. The students will be introduced to basic Chinese intonation; Chinese history and cultural aspects will be taught as well. After the course, each student will be able to identify elementary spoken Mandarin Chinese and will have the basic foundation for further intensive study.

AFTER SCHOOL ENRICHMENT POLICIES & PROCEDURES

- Parents are responsible for communicating classes with their after care providers and adjusting children's schedules accordingly.
- Enrichment classes will not be offered on school holidays, teacher work days, or staff development days.
- You must pick up your child on-time at the end of class. If there are multiple late pick-ups, your child's enrollment may be considered for termination without a refund.
- All students are responsible for getting to their respective classes unassisted. Kindergartners for Kindergarten ONLY classes will be picked up outside of their classroom by their instructor.
- Instructors will walk students back to their respective after care sites at the end of class.
- Refunds can be requested no later than 5 business days after the first class meeting, and will be issued only if the class meets the minimum enrollment requirements. All refunds will be charged a \$15 processing fee.
- Behavioral problems will not be tolerated and therefore a child may be dismissed from the class at any time.
- If classes are cancelled, you will be refunded in full.
- All classes are subject to change.

ROBOTICS CLUB

Grades 3-5

Cyber Garage

The Ultimate robot competitive sport: Through individual and team competition, students will build, code, and compete with custom designed robots built using Arduinos, laser cut accessories, and custom Arduino programming. Each week students will code progressively more complex sumo bots, honing their coding and engineering skills through competition. No experience necessary. Class will be modified to fit student's ability.

PE GAMES WITH COACH HOFFMAN

Grades K-2 & 3-5

Jaime Hoffman

Come play your most favorite PE sports and games with Brookside PE teacher, Coach Hoffman!! We'll play all your favorites from hockey, soccer, kickball, dodge ball, tag games, relays, and more! Coach Hoffman's classes focus on teamwork, skill development, cooperation, and fun!

TEAM SPORTS WITH COACH HOFFMAN

Grades K-2 & 3-5

Jaime Hoffman

Join Brookside School's PE teacher, Coach Hoffman, for a fun and cooperative team sports class. We will play many games including soccer, kickball, handball, basketball, hockey, dodgeball, team tag games, and more! Classes emphasize teamwork, skill building, and fun!

SCIENCE AND ART UNDER THE SEA

Grades K-3

Beth Touchette

Kids will get to make three dimensional tide pool with sea urchins, starfish, sea anemones, and a sea otter. They will also get to create whatever sea creatures they like out of Sculpey. We will also investigate floating and sinking and lots of other aspects of water. Unique highlights include making seaweed worms, studying shark teeth, and dissecting a squid. Small class size guarantees quality instruction.

SPANISH (HIDDEN VALLEY & BROOKSIDE)

Grades K-2 & 3-5

Alejandra Merino-Powell

Acquiring a second language can benefit a young person's life in so many ways: better grades in their upcoming language requirements, a leg-up in college entrance applications, increased employment opportunities, and developed confidence and self-esteem. Numerous studies clearly show that "the sooner the better" is the rule of thumb when it comes to learning a new language. In this class students will learn Spanish in a fun and dynamic atmosphere. Along with written and conversational exercises, the creative lesson plans used include games, Spanish language coloring books, videos, songs and much more. ¡Vamos a aprender el Español!

ROBSON AFTER-CARE

This is an afterschool program where your kids will meet new friends, have fun, engage in well rounded activities, and most of all be in a safe environment. We also focus on cultivating a sense of community between our kids and staff everyday!

HOW WE WORK: Robson After Care (RAC) operates out of the Robson-Harrington House located at 237 Crescent Road. Participants from Wade Thomas Elementary School are picked up on campus by our staff and walked up to the house. Participants from all other schools are welcome, but must be dropped off at Robson. We are open until 6:00pm daily and follow the Ross Valley School District calendar. RAC staff will offer extended care for Kindergarten early-release or super minimum days.

WHAT WE DO: Having nearly three acres of Robson-Harrington property at our disposal, we like to stay outdoors whenever weather permits. Playing kickball, tag, and imagination games are just some of the activities our kids love—but art projects and books are always on hand for those looking for more quiet activities. Snack is served daily, and after snack everyone participates in a quiet activity or homework time.

FEES & REGISTRATION: Children must be registered and fees paid before the start of each month. Pricing is based upon the number of days your child attends per week.

	Early Release	Late Release
1 day/week	\$26.50/day	\$22.50/day
2 days/week	\$25.50/day	\$21.50/day
3 days/week	\$24.50/day	\$20.50/day
4 days/week	\$23.50/day	\$19.50/day
5 days/week	\$22.50/day	
Robson Lite	For only \$10/day we will pick up your Early Releaser and bring him/her back to Wade Thomas by 3:05pm for you to pick up with your older ones.

DEEP GUIDED MEDITATION (WITH ANDREJ LONCAR)

-Engaging the Dimension of the Soul within Us and the Earth -

This guided meditation and sharing leads us to discover the inner peace anchor within us, and to align ourselves with the current spiritual development processes of the Earth's soul and their reflection in us. We will learn how to connect with the living Earth and its life flow and our soul's path at this time. We will deepen our ability to work with our own spirit system and collaborate with the spirit world.

Comments from current students: April: "I have experienced profound changes within myself during Andrej's training course. He is a deep ocean of soul wisdom combined with humor, heart, integrity and focus- he is a great teacher!" **Linda:** "I would wish everyone in the world such a once-in-a-lifetime chance to experience respect at such a deep level."

CAPOEIRA

Capoeira with Mestra Sorrison (Karlton Kepcke) Capoeira is a beautiful and challenging art form. We can’t just call it a martial art or a dance because it is so much more. It is self defense, acrobatics, music, discipline and strategy. Capoeira challenges you physically, emotionally and mentally. The classes include strength training, aerobics and aerobics and stretching as well as singing and percussion music. Our approach to teaching is “you learn better while having fun”, so classes are held in a friendly, noncompetitive environment. Class is open to people in middle school through adults and no previous experience is necessary. Mestra Sorrison has been studying Capoeira in the U.S. and Brazil since 1984, and was one of the founding members of Capoeira Mandinga. In 1992 she was the first American woman to graduate to the level of professor. **No class 2/20, 2/24, 4/10, 4/14 school breaks**

**THE MARIN HUMANE SOCIETY
DOG HANDLING CLASSES**

For dogs 4 months and older

MHS, Yuching Desch

FIRST CLASS IS A MANDATORY INTRODUCTORY SESSION FOR PEOPLE ONLY – NO DOGS, PLEASE! The first class orientation session will begin at 10 am and last 1.5 hours. Please bring proof of your dog’s vaccination with you to the introductory session. Maximum enrollment is seven dogs. The class runs for six weeks.

Instructor: Yuching Desch is a long time dog lover; Yuching began volunteering at the Marin Humane Society as a Dog Training Assistant and Pet Pal in 2010. After adopting a small, fearful poodle mix that needed her help, she extended her involvement with behavior consultations assistance and attended workshops and seminars to improve her knowledge on canine behavior. She has since graduated from MHS Canine Behavior Academy I and II and is a Certified Trick Dog Instructor. She finds it rewarding when she helps both dogs and their owners strengthen the bond as well as enjoy each other’s company. Yuching lives with her husband and their (no longer so fearful) dog in San Anselmo.

You can register for these classes at: <https://www.marinhumanesociety.com/classes/index.aspx> or at sananselmomorecreation.org

SAN ANSELMO LIBRARY

FIVE REASONS TO REDISCOVER THE SAN ANSELMO PUBLIC LIBRARY

1. Brain Food

Reading doesn't just improve your knowledge; it is scientifically proven to benefit your health.

Studies have shown that reading can improve your memory, enhance your brain power, reduce your stress level, and increase your attention span.

2. More reading options than ever

Why pay for eBooks and eAudiobooks when you can check them out for free from your library? Access our eBook platforms 24 hours a day, seven days a week. You can check out up to 8 books at a time through Overdrive, and the best part is there are no late fees!

3. Won't you be our neighbor?

The library is the perfect place to engage with your community. Whether you are a new parent introducing your baby to other families at our weekly storytime programs or an adult looking to engage with other readers at one of our fabulous discussion groups, the library is the place for you to get connected.

4. Learn something new

Discover your family tree by logging onto Ancestry.com at the library. Take language lessons with our online learning system Mango Languages. Acquire career skills to stay competitive on lynda.com. Check out a book on a topic you've been meaning to explore—knitting, fishing, beekeeping— the possibilities are endless!

5. Free Wi-Fi

The public library is a cultural hub where everyone is welcome to work, browse and study. Our free Wi-Fi is faster than ever and we think you'll find the library a pleasant alternative to local cafes and coffee shops.

THE HOOT

Want to receive news and information about upcoming events at your San Anselmo Public Library? How about directly in your email inbox? Sign up for The Hoot, the library's e-newsletter! Sent once a month, The Hoot highlights special library news, showcases upcoming events (for adults, kids, and teens), and includes notes from the librarians. Sign up at the Reference Desk today or online at sananselmolibrary.org!

ART TALK TUESDAYS!

Art Talk Tuesday is a one-hour, docent led presentation on popular exhibits currently and formerly shown at the de Young, Legion of Honor, and Asian Art Museums of San Francisco. Art Talk Tuesday is the 2nd Tuesday of the month at 12pm in the Council Chambers.

FLOOD PLAIN MANAGEMENT

Many of our residents live in areas that are designated by the Federal Emergency Management Agency (FEMA) as in a flood plain. There are certain requirements if you live in a flood plain. If you have questions about living in a flood plain, or about a base flood elevation certificate, please contact our Public Works Department at (415) 258-4616 or permits@townofsananselmo.org.

CREEK CARE FOR RESIDENTS

No matter where you live in Marin County, your actions influence our watershed and creeks. In Marin County, all storm drains flow directly to local creeks or the Bay without treatment. Washing your car, watering your lawn, and walking your dog can contribute to water pollution—or be done in a creek friendly way.

The Marin County Pollution Prevention Program (MCSTOPPP) has a Creek Care Guide designed to encourage and support the ongoing stewardship of creeks in Marin County. This guide is divided into three sections. The first section defines healthy creeks, riparian corridors, fish habitat needs, the storm drain connection, and how to identify a potential creek problem. Guidelines for improving creek health are outlined in the second section. A resource directory is provided in the last section.

The Creek Care Guide can be found at <http://www.marincounty.org/~media/files/departments/pw/mcstoppp/residents/creek-care-2013.pdf>.

CENTRAL MARIN POLICE CRIME INFORMATION

Did you know that you can access information regarding crime trends in your neighborhood online?

RAIDS Online’s public crime map works with law enforcement database systems to share crime data with the public through an easy-to-use online crime map and analytics dashboard. The data is displayed with 8 fields of limited offense information to protect victim privacy. This is a valuable tool for law enforcement to communicate crime activity to their citizens and the media.

To view the crime maps, please visit RAIDS Online’s website: <http://www.raidsonline.com/>

BICYCLE REGISTRATION PROGRAM FROM THE CENTRAL MARIN POLICE AUTHORITY

Every year, hundreds of bicycles are stolen throughout the County of Marin.

Often, it is impossible to identify stolen bicycles due to a lack of record keeping. Accordingly, the Central Marin Police Authority has instituted a Bicycle Registry Program. This free and voluntary law enforcement, community driven service is aimed at creating a local database so that in the event of loss or theft, the likelihood of recovery is increased. This is accomplished through accurate record keeping and theft awareness measures.

Registration services are currently available during regular business hours at both Central Marin Police facilities: Monday through Friday, 8:30 AM–4:30 PM. Police facilities are located at 250 Doherty Drive, Larkspur and 525 San Anselmo Avenue, San Anselmo.

For more information, go to <http://www.centralmarinpolice.org/220/CMPA-Bicycle-Registration-Program>.

ZERO WASTE MARIN

Reduce your use of hazardous products! Zero Waste Marin encourages everyone to use less harmful and toxic products to clean your home and office. Use baking soda as a good all-purpose cleaner and vinegar to make your windows and mirrors sparkle. Look for less toxic or non-toxic products when you shop, or create your own less toxic cleaning recipes. Be aware of “green” or “eco-friendly” packaging as it is sometimes simply a marketing ploy to promote a perception of truly environmentally friendly products.

Here are a few less toxic alternatives:

Brass Polish—Mix equal parts salt, white vinegar and flour to make a paste; let sit 10-15 minutes and rinse thoroughly.

Chrome polish—Wipe with vinegar, then rinse and dry; shine chrome fixtures with baby oil and a soft cloth.

Copper polish—Cut a lemon or lime in half, sprinkle with salt and rub onto copper.

Diswashing/Hand washing—Use vegetable oil based liquid soaps.

Dishwasher—Use low phosphate detergents and run only when full.

Drain cleaner—For minor clogs, pour ½ cup of baking soda down the drain followed by ½ cup of white vinegar; wait 5 minutes and follow with a kettle of boiling water. For serious clogs, use a plunger or a metal snake.

For a complete list of less toxic alternatives, go to <http://zerowaste-marin.org/residents/zero-waste-101/less-toxic-alternatives/>.

TOWN COUNCIL MEETINGS TELEVISED

The Town Council meetings are videotaped and streamed live via our website. This means that you can watch the meetings on your computer as they are happening!

The live video can be found at <http://www.townofsananselmo.org/index.aspx?nid=779>, along with the staff reports for the meeting (identified under each agenda item with a paperclip icon). After the meeting, the videos are available on the website and linked to the staff reports, so that you can choose a particular item, click on it, and see the video for just that item. The meetings are also televised on local cable channel 27 Sundays at 9 p.m.

If you would like to view the staff reports only, go to the above link and click on agenda. For each agenda item, there is a staff report link included, identified by a paperclip symbol.

If you have any questions or have difficulty using the system, please contact Carla Kacmar at ckacmar@townofsananselmo.org or (415) 258-4660.
