REGULATIONS TO PREVENT THE SPREAD OF DISEASE.

The Board of Trustees of the Town of San Anselmo do ordain as follows:

Section 1. The Board of Health of the Town of San Anselmo is hereby authorized and empowered to quarantine persons, houses, places and districts within said Town, when, in its judgment, it is deemed necessary, to prevent the spreading of contagious or infectious diseases.

Section 2. The term "contagious diseases" shall include, every disease of an infectious, contagious or pestilential nature, particularly cholera, yellow fever, smallpox, varicella, pulmonary tuberculosis, diphtheria, membranous croup, scarlet fever, typhus fever, measles, pneumonia and every other disease publicly declared by the Board of Health to be dangerous to the public health.

Section 3. Every physician must report in writing to the Board of Health within 24 hours, after he has been called to attend any person affected with any infectious, contagious or pestilential disease, the name and place of residence of such person and the name and state of the disease. In the event of the death of any person afflicted with any such disease, the attending physician must report in writing to the Board of Health within twenty-four hours thereafter, the name and place of residence of the deceased and the specific name and type of such disease.

Section 4. Every physician, and every person having the control or management of any public or private institution or dispensary, shall report in writing to the Board of Health the name, age, sex, occupation and place of residence of every person afflicted with pulmonary tuberculosis who shall have come under his care, within one week thereafter.

Section 5. Every person afflicted with pulmonary tuberculosis, and every person in attendance upon any person so afflicted, and every person in charge of any private or public hospital or dispensary, shall observe and enforce all sanitary rules and regulations adopted by the Board of Health to prevent the spread of pulmonary tuberculosis.

Ordinance # 64

Section 6. It shall be unlawful for any person to interfere with or obstruct the officers or inspectors of the Board of Health in the examination of any building or premises wherein a person is reported to be afflicted with any infectious, contagious or pestilential disease.

Section 7. The Board of Health is hereby authorized and empowered to post in a conspicuous place upon any building or premises wherein any person is afflicted with any infectious, contagious or pestilential disease, a notice specifying the name of such disease. It shall be unlawful for any person to interfere with the posting of such notice or to tear down or mutilate any notice so posted by the Board of Health in or upon any building or premises.

Section 8. Whenever the Board of Health shall have reason to suspect the presence of an infectious, contagious or pestilential disease within any building or premises, and the physician in attendance or the head of the family refuses to permit the representative of the Board of Health to examine the person suspected of being afflicted with such disease, the Board of Health shall quarantine the premises and prevent egress and ingress from and to the same until such examination is permitted or until said Board has practiced disinfection and detention to its satisfaction.

Section 9. Whenever any person residing in a hotel, boarding house, lodging house or tenement house is afflicted with any infectious, contagious or pestilential disease, the owner, lessee, keeper or manager of such place must immediately give notice thereof to the Board of Health. Immediately upon the receipt of such notice the Board of Health must cause an examination of the person so afflicted, and, if in its judgment it be necessary, it shall cause such hotel, boarding house, lodging house or tenement house, or any part thereof, to be immediately cleaned and disinfected in an effective manner; and the Board of Health may cause the walls thereof to be whitewashed, or any wall paper thereon to be removed or replaced; and it may cause the bedding and bedclothes used by the person so afflicted to be thoroughly cleaned, secured and fumigated, or, if necessary,

section 10. Every undertaker employed to manage the interment of any person who has died of any infectious, contagious or pestilential disease must give immediate notice thereof to the Board of Health. It shall be unlawful for any undertaker to retain, or expose or assist in the detention or exposure of the dead body of any such person unless the same be in a coffin or casket, properly sealed, or to allow any such body to be placed in a coffin or casket unless such body has been thoroughly disinfected and wrapped in a sheet saturated with a 1-500 solution of bi-chloride of mercury, and unless the coffin or casket is of metallic substance and hermetically sealed immediately after the body has been placed therein.

section 11. It shall be unlawful for any person to remove the body of any person who has died from an infectious, contagious or pestilential disease from the room in which the death occurred, except for burial or cremation; and the body of any person so dying must be interred or cremated within twenty-four hours after the time of death.

Section 12. It shall be unlawful for any person having the possession or charge of the remains of any person who shall have died of any infectious, contagious or pestilential disease to permit such remains to be viewed by any person except the attending physician, the representatives of the Board of Health, the undertaker, and his assistants, and the immediate members of the family of the decedent, or to permit funeral services to be held over such remains within the premises where the death of such person occurred, or to remove or cause to be removed the body of such deceased person from said premises to any place other than a cemetery or crematory.

Section 13. It shall be unlawful for any undertaker to assist in a public or church funeral of the body of any person who has died of an infectious, contagious or pestilential disease.

Section 14. It shall be unlawful for any person, without a written permit from the Board of Health, to remove, or cause to be removed, any person afflicted with an infectious

contagious or pestilential disease, from any building to any other building.

Section 15. It shall be unlawful for any person having charge or control of any person afflicted with an infectious, contagious or pestilential disease, or having control of the dead body of any person who has died of any such disease, to cause or contribute to the spread of any such disease by any negligent act in the care of such sick person or such dead body, or by the needless exposure of himself in the community.

Section 16. It shall be unlawful for any principal or superintendent of any public or private school, or any parent, guardian or custodian of any minor child afflicted with any infectious, contagious or pestilential disease, or in whose household any person is so afflicted, to permit such minor to attend any public or private school until the Board of Health shall have given its written permission therefor.

Section 17. Every physician in said Town of San Anselmo shall report in writing to the Health Officer every case of varicella or chicken-pox of which he may have professional knowledge within twenty-four hours after he shall be satisfied of the nature of the disease.

Section 18. No person shall keep, aid, or assist in keeping, in any house, tenement, or in any place in said Town, any person afflicted with or having the diseases known as leprosy or elephantiasis.

Section 19. The Board of Health of the Town of San Anselmo is hereby authorized and empowered to remove, or cause to be removed, any person or persons afflicted with smallpox, cholera, yellow fever, bubonic plague or typhus fever residing in or being found in houses, places or districts within the Town of San Anselmo, to such hospital within the Town of San Anselmo, or to any hospital within the County of Marin, as the said Board of Health may designate; provided that no action looking towards the removal of any person afflicted with any of the above enumerated diseases shall be taken by said Board of Health, unless the same is recommended by the President of said board of Health, after due and satisfactory investigation made

personally by him.

section 20. Any person, firm, corporation or association who shall violate any of the provisions of this Ordinance, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding Three hundred Dollars (\$300.00), or by imprisonment for not more than Three (3) months, or by both such fine and imprisonment.

section 21. This Ordinance shall take effect and be in force immediately.

Passed and approved this 2nd day of June, 1910, by the following vote:

Ayes: Trustees Lagan, Schrader, Whitaker, Stratford & Jones.
Noes: None.
Absent: None.
