

REGULATING THE USE OF THE PUBLIC STREETS,
ROADS AND HIGHWAYS FOR THE PURPOSE OF
PLACING THEREIN PIPES AND OTHER CONDUITS
IN SUPPLYING WATER, GAS, ELECTRICITY OR
OTHER FLUID FOR LIGHTING PURPOSES TO THE
TOWN OF SAN ANSELMO AND ITS INHABITANTS,
AND PROVIDING FOR DAMAGES AND INDEMNITY
FOR DAMAGES.

The Board of Trustees of the Town of San Anselmo do
ordain as follows:

Section 1: No person, company or corporation having
the right under provision of the Constitution of the State of
California, or under franchise or privilege granted, to open
or tear up the roadway of any street, road or highway, in the
Town of San Anselmo, for the purpose of placing underground
pipes or other conduits for the purpose of supplying water or
gas, electricity or other fluid for lighting purposes to the
Town of San Anselmo and its inhabitants, shall do so without
first presenting to the President of the Board of Trustees of
the Town of San Anselmo a good and sufficient joint and several
undertaking in the sum of One thousand Dollars (\$1,000.00)
with sufficient surety or sureties, to be approved by the Presi-
dent of the Board of Trustees, to secure the Town of San Ansel-
mo for all damages it or said streets, roads or highways may
sustain by reason of said streets being opened or torn up for
the use aforesaid. Said undertaking, if satisfactory, shall be
approved by the President of said Board of Trustees, and filed
in the office of the Town Clerk. Said undertaking shall be con-
ditioned, that the person, company or corporation shall properly
refill all trenches and reconstruct all pavements over trenches,
and any defects resulting, in the judgment of the Board of
Trustees, from the fault of such person, company or corporation
opening the street, road or highway, discovered within one (1)
year after the work has been completed, must be repaired within
ten (10) days after notice given thereof, otherwise the work
shall be done by the Board of Trustees at the expense of such
person, company or corporation.

Section 2: The person, company or corporation...

ing the undertaking mentioned in the preceding section, shall file, from time to time, with the clerk of the Board of Trustees, diagrams of the streets, roads or highways, or parts of roads or highways, proposed to be opened or torn up. Notice of intent to open or tear up a street, road or highway must be given to the clerk of the Board of Trustees, in writing, at least One (1) hour before the street, road or highway is opened, and in case of accident or emergency, which makes immediate action necessary, notice of the opening or tearing up of the street, road or highway must be sent to the clerk of the Board of Trustees within twenty-four (24) hours thereafter. Notice may be given either by mail, or by personal service

section 3: The person, company or corporation opening or tearing up any street, road or highway, shall restore said street, road or highway to as good a condition as it was in before the opening or tearing up thereof.

section 4: No trench shall be opened in any graded street, road or highway more than One (1) block in advance of the pipe or other conduit placed therein, and no trench as referred to shall remain open in such street road or highway longer than Twenty-four (24) hours after any pipe or conduit has been laid, and all pipes or other conduits shall be laid within Twenty-four (24) hours after the surface of such street, road or highway has been broken for the purpose of excavating a trench, unless the Board of Trustees shall, in its discretion, allow further time for work that cannot be reasonably so performed.

section 5: The pavement over all trenches or street openings must be restored in a good and workmanlike manner to the satisfaction of the Board of Trustees. All surface material remaining after the back filling, and all discarded paving materials, shall be removed from the street, road or highway. All trenches shall be refilled within Two (2) days from the time of opening. The pavement must be restored, and all surface material removed within Four (4) days from the time the trench is opened. Upon failure on the part of any person, company or corporation to comply with any of the requirements of this section, said person, company or corporation shall not make any further

road or highway openings which said requirements have been established with. The Board of Trustees shall have power to refill all openings to repair over the same, or to remove all surplus material at the cost of the person, company or corporation, who shall fail to comply with any of said requirements of this section. The Board of Trustees may contract for the performance of such work, and such person, company or corporation shall not be allowed to make any further street, road or highway openings until the cost of this work is paid to the Treasurer of the Town of San Anselmo.

Section 6: Every person, firm or corporation making any excavations in, or disturbing the surface of any public street, road or highway of the said town of San Anselmo, for the purpose in this ordinance specified, before the undertaking hereinafter provided for is given and approved, or failing or neglecting to give the notice herein required, is guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not more than three hundred dollars (\$300.00) or by imprisonment of not more than three (3) months, or by both such fine and imprisonment.

Section 7: All ordinances, and parts of ordinances, in so far as they conflict with the provisions of this ordinance, be and they are hereby, repealed.

This ordinance shall take effect and be in force immediately from and after its passage.
