**Dear Mr. Boyle,**

**This letter is to inform The Planning Department of the Town of San Anselmo, CA that I, Lotte France, at 329 Butterfield Road, San Anselmo, CA 94960 have no objection to the plans of John and Diana Baker for an addition at 337 Butterfield Road, San Anselmo, CA 94960 as they have been described to me:**

**A one level master suite with a peaked roof off of the southwest corner of the existing structure and requiring a variance from the Town of San Anselmo allowing for construction at eight feet from the center of the public easement. No existing property lines will be adjusted, modified or infringed as a result of this new construction.**

**If these plans change from the above description and from the floor plan and south elevation drawings on Pages two and three significantly and beyond a minor modification, I reserve the right to revisit the issue of the described addition and raise objections through the Planning Department.**
