

**FUNDING AGREEMENT BETWEEN
MARIN COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT
AND
TOWN OF SAN ANSELMO
REGARDING THE CENTER BOULEVARD/SYCAMORE AVENUE, NOKOMIS AVENUE, AND
MADRONE AVENUE BRIDGE REPLACEMENT PROJECTS**

This FUNDING AGREEMENT (AGREEMENT), made and entered into this ____ day of _____, 201_, by and between the Marin County Flood Control and Water Conservation District, hereinafter referred to as "DISTRICT", and the Town of San Anselmo, hereinafter referred to as "RECIPIENT", both in the State of California, collectively the "PARTIES", for Phase One of the Center Boulevard/Sycamore Avenue, Nokomis Avenue and Madrone Avenue bridge replacement projects.

SECTION 1: RECITALS

1. In response to the flood event of December 31, 2005, the DISTRICT, in cooperation with the Towns of San Anselmo, Ross, and Fairfax; the City of Larkspur and the unincorporated communities of Kentfield, Greenbrae, Sleepy Hollow and Oak Manor initiated the Flood Zone 9 Ross Valley Flood Protection and Watershed Program (PROGRAM);
2. In June 2007, the property owners of Ross Valley voted to assess themselves a storm drainage fee (Watershed Fee) that raises approximately \$2.2 million annually for 20 years for carrying out the PROGRAM;
3. The DISTRICT carried out a study to investigate the feasibility of creating a 100-year-flood level of protection resulting in the January 2011 "Ross Valley Capital Improvement Plan Study" (CIP Study) report by Stetson Engineers Inc.;
4. The CIP Study is meant to guide flood-related work by the DISTRICT and the Towns/City/Unincorporated Areas so that efforts can be coordinated toward the common goal;
5. The report identified over 180 projects and improvements that, when implemented in the appropriate sequence, will provide a high level of flood protection for Ross Valley;
6. The overall goal of the PROGRAM is to build or retrofit the necessary infrastructure to minimize or greatly reduce damage from a 100-year-flood (as defined at the time of the CIP Study report in January 2011) while maintaining and improving the natural environment and important habitat and ecosystems;
7. The CIP Study identifies opportunities to reduce the frequency and severity of flood damage by replacing the bridges that cross the creek with configurations that are less constricting to design flows;
8. The CIP Study identifies the bridges at Center Boulevard/Sycamore Avenue, Nokomis Avenue, and Madrone Avenue to be replaced;
9. In March 2012, the Ross Valley Flood Control Zone 9 Advisory Board adopted the 10-Year Work Plan to set near-term goals and to focus initial implementation of CIP Study measures

to provide a 25-year level of flood protection valley-wide;

10. The 10-Year Work Plan (10 YWP) lists the removal of Sycamore Avenue bridge, construction of a new bridge at Center Boulevard, and replacement of the existing bridges at Nokomis Avenue and Madrone Avenue (PROJECT) as “baseline measures” to be implemented among the full list of projects and measures in the 10YWP;
11. The RECIPIENT has identified the need for significant repair, replacement, and improvement of the existing bridges;
12. The RECIPIENT wishes to accept a grant from the California Department of Transportation (GRANTOR), known as CALTRANS, for 88.53% of the estimated cost to: remove the Sycamore Avenue bridge; construct and replace the Center Boulevard/Sycamore Avenue bridge with a new bridge at Center Boulevard; and replace the Madrone Avenue bridge; and for 100% of the estimated cost to replace the Nokomis Avenue bridge;
13. The RECIPIENT wishes to accept the funding and initiate feasibility confirmation, planning, design, and construction of the PROJECT;
14. As per the GRANTOR funding agreement, the RECIPIENT is responsible for contributing the remaining 11.47 % of the cost for replacement of the Center Boulevard/Sycamore Avenue and Madrone Avenue Bridge replacements and 0% of the cost for the Nokomis Avenue Bridge , with the exception that the RECIPIENT may be responsible for CEQA study costs and project management costs to provide broad oversight, submittal review, process payments and other services, as needed;
15. In the interest of reserving funding for all top projects in the 10 YWP, the Principles of the PROGRAM were adopted by the Flood Zone 9 Advisory Board in December, 2013 to guide financial commitments of the flood zone in implementation of the PROGRAM;
16. The Principles state that grant funding for 70% of the estimated cost of all projects shall be pursued;
17. The PARTIES agree the DISTRICT’s commitment in Phase One of the PROJECT is limited to a maximum of 30% of the Eligible Costs , as defined in Section 6 below;
18. The PARTIES agree that the PROJECT will progress through two (2) distinct phases: Phase One Planning, Preliminary Design, California Environmental Quality Act (CEQA) and National Environmental Protection Act (NEPA) compliance, Final Engineering Design and Environmental Permits, right-of-way certification; and Phase Two Construction;
19. Should the PROJECT be terminated before completion, all costs incurred before and up to that date of termination may be the sole responsibility of the PARTIES, per the GRANTOR’s funding agreement, and any funds reimbursed by GRANTOR up to that point be returned to the GRANTOR;
20. If the PROJECT is terminated before completion and any funds paid to the RECIPIENT by the GRANTOR must be returned to the GRANTOR per the GRANTOR’s funding agreement, the RECIPIENT is responsible for reimbursing the GRANTOR... In this case, the DISTRICT shall not seek reimbursement for any and all disbursed contributions by the DISTRICT or for any pending contributions of the DISTRICT’s share of Eligible Costs incurred prior to termination that are otherwise owed to the RECIPIENT;

21. The PARTIES agree that the RECIPIENT shall manage all aspects of project development, completing the design, compliance with the environmental and permitting requirements, and carrying out any and all work on the PROJECT;
22. The PARTIES agree that subsequent agreements shall be executed for addenda and for Phase Two of the PROJECT, if needed;
23. The PARTIES agree that the DISTRICT shall work as a partner during Phase One of this effort with the RECIPIENT.

SECTION 2: PURPOSE OF THE FUNDING AGREEMENT
