

TOWN OF
SAN ANSELMO
EST. 1907

Construction Notice: Sir Francis Drake Blvd Rehabilitation May 9 - 13

Please be advised that Maggiora & Ghilotti, contracted by the Town of San Anselmo as paving contractor, will be grinding and paving the stretch of Sir Francis Drake Blvd (SFD) from Red Hill Ave (the Hub) to Bolinas Avenue (town limits with the Town of Ross).

The work will be split into two phases: grinding and paving. **1** - During the grinding phase, access to certain driveways and turns onto SFD will be limited in both directions. Access will be restored once the grinding machine moves past your location. **2** - During the paving phase, access to certain driveways and turns onto SFD will be limited for longer than during the grinding phase. Asphalt will need time to cool down and stabilize.

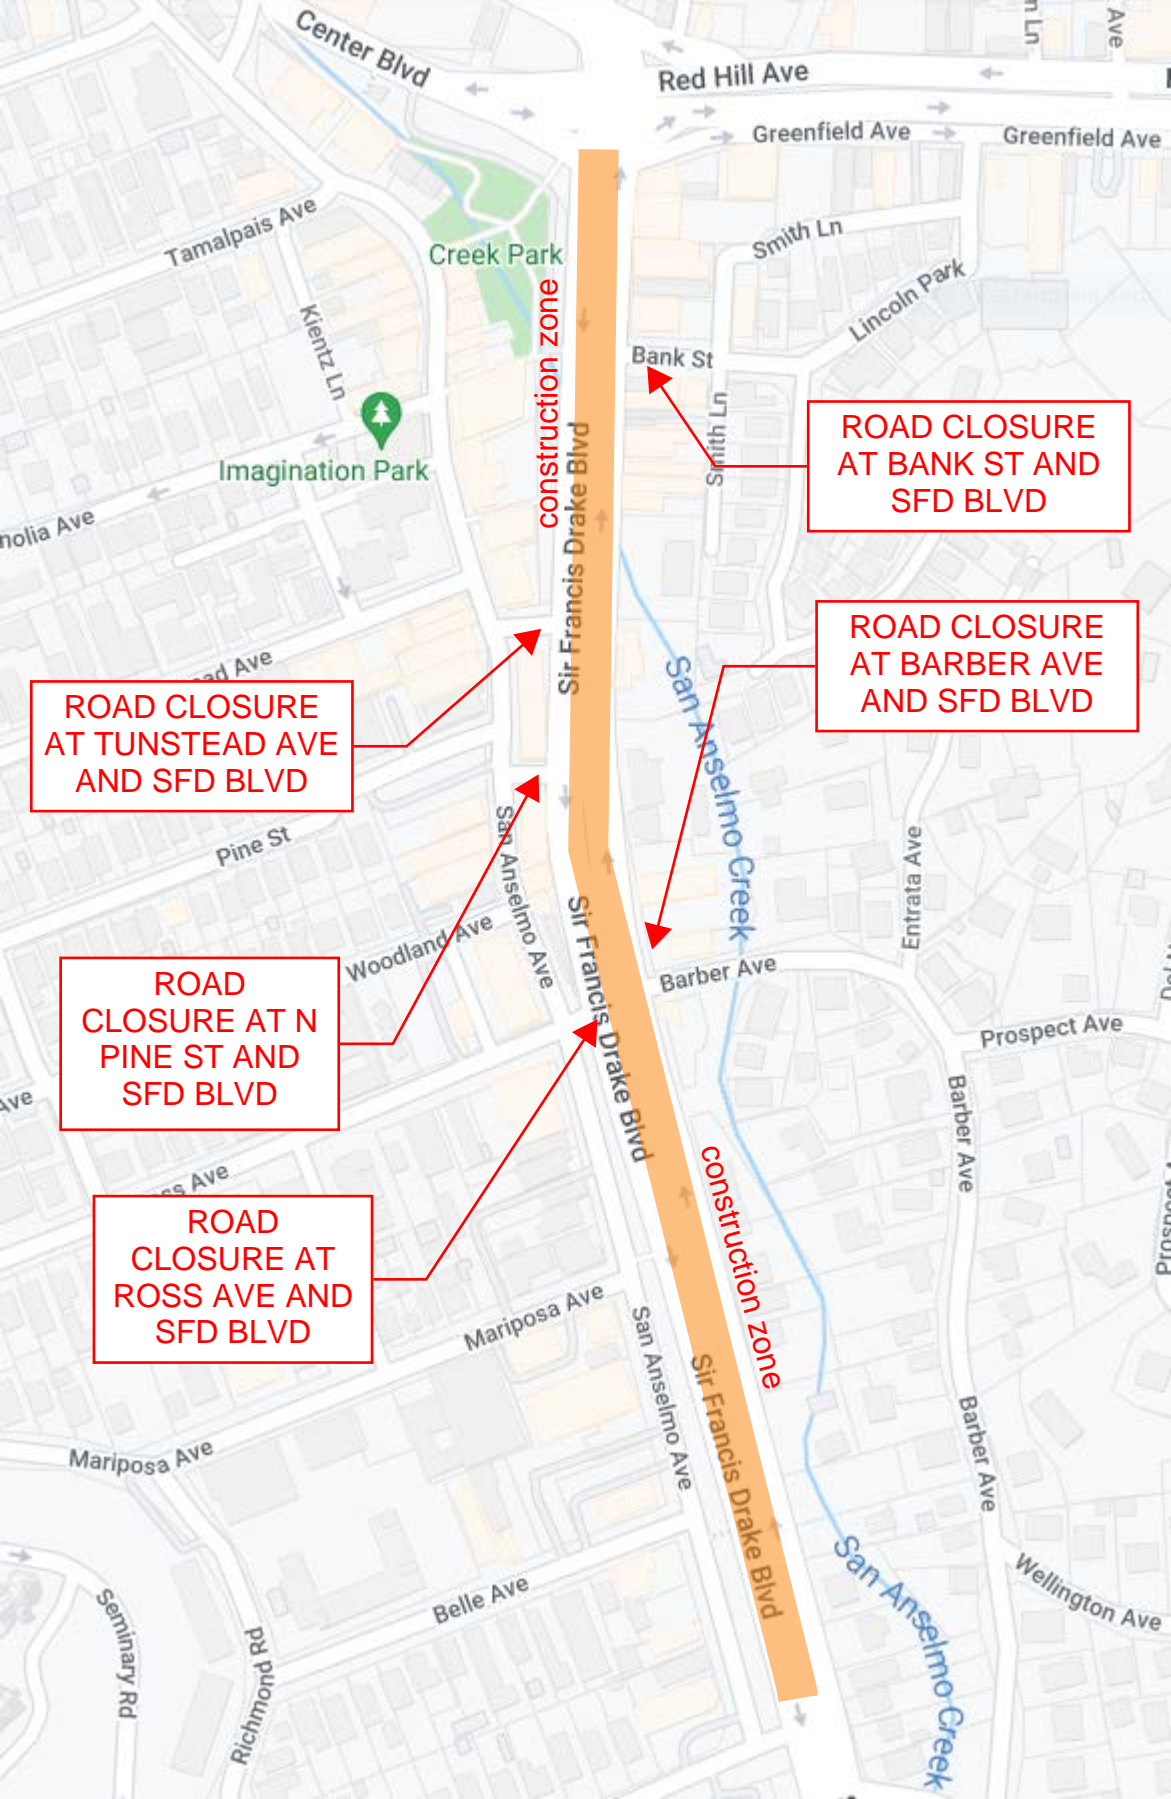

Project Details:

- Work hours are 7 am to 6 pm
- Grinding will take place Mon & Tues (May 9, 10)
- Paving will take place Wed, Thu, & Fri (May 11 – 13)
- No parking will be allowed on Sir Francis Drake Blvd in the construction zone
- The contractor will close Tunstead Ave, Pine St, Ross Ave, Barber Ave, and Bank St for the minimum time necessary to grind or pave
- Please refer to the map on the back for details

Vehicular and pedestrian/bike traffic may experience delays. We appreciate your patience during this time. We will try to minimize impacts to your home or business, please let us know if you have any questions or concerns.
