

TOWN OF SAN ANSELMO

EFFECTIVE:
June 1, 2023 residents
January 1, 2024 commercial landscapers

NEW LANDSCAPE EQUIPMENT REGULATIONS

Gas-powered landscape equipment will not be allowed to operate within town limits.

Only electric (either battery-operated or corded) landscape equipment may be used.

ALLOWED HOURS OF OPERATION (FOR LEAF BLOWERS):

Residential Properties

Monday - Friday: 9 am to 5 pm

Saturday: 10 am to 4 pm

Sunday and Holidays: no use allowed

Multi-Unit & Non-Residential Properties

Monday - Friday: 7 am to 5 pm

Saturdays: 10 am to 4 pm

Check with your landscaper to ensure they can **comply with the new regulations**. Warnings and fines will be given to the offending property, not the landscaping company.

The leaf blower rebate program is expanded to include electric string and hedge trimmers, edgers, pole saws, chainsaws and lawnmowers, with varying rebate amounts by type of equipment purchased by residents and commercial landscapers. Visit the Landscape Equipment website for details on how to apply for the rebate program.
